**AUSTRALIAN WOMEN'S SOCCER**

The Australian Women's Soccer Association is now in its fourth year, since its inception in 1974. Each year six states compete for the title "Australian Champions". New South Wales were successful in 1974 and again last year, 1976; Western Australia were successful in 1975. The Championships are held in a different state each year; this year it is our turn to play hosts to the five visiting states. The object of the National Association is to promote Women's Soccer throughout Australia. South Australia and Alice Springs are the latest acquisitions, here in Western Australia there is a continuous number of new teams being formed and our present strength is seventeen metropolitan teams and eleven country teams.

Sunny Citrus supplied the drinks for all teams.

## WEST AUSTRALIAN WOMEN'S SOCCER ASSOCIATION COMMITTEE

Patron — Mrs. Joan Tonkin

President — Peter Dimopoulos

Vice President — Michael Brentnall

Secretary/Treasurer — Mrs. Barbara Joan Gibson

Registrar — Mrs. Vivian Sullivan

Committee Members — Mrs. Doreen Brentnall, George Crow.

The W.A.W.S.A. is now six years old and during this time the game and the administration has developed into a strong association. The credit for this promotion is to no small degree attributed to hard work and many family sacrifices of George Crow and his wife Marilene, Michael Brentnall and his wife Doreen, Sheila Downham and her husband, Harry, our Secretary Mrs. Barbara Gibson, our Registrar Mrs. Vivian Sullivan and her husband, Ken, and Mrs. and Mr. Eric Serimshaw.

The Soccer Federation of W.A. (inc.) is supporting our Association at the administration level and their presence at our functions.

The W.A. Amateur Soccer referees are responsible for adding prestige to our games, their services at the present National Championships is deeply appreciated. Please accept a big thank from all of us. Women's soccer in Australia and throughout the world is gaining in popularity and in the number of girls wishing to participate. One notable feature is the gradual disappearance of the active suppressors of women's soccer and the emergence of many soccer clubs, who support and encourage young women to play the game of soccer at all levels.

To our visiting teams and to our visiting supporters, we extend to you all a very warm welcome to Western Australia and may your stay with us in Perth prove enjoyable and rewarding through the meeting of old and new friends.

## REFEREES OFFICIATING

**Michael Aspinall.** Mike was a member of the W.A. State team that travelled to Melbourne in 1976 and officiated at the National Championships, he is one of the most respected referees in Western Australia and one of the best with the whistle.

**Eric Thomas.** A most respected gentleman with a sense of humor, very fair with the whistle and always in control of every situation. One of the best in understanding the peculiarities applicable only to women's soccer.

**Ron Puzey.** Needs no introduction to West Australian Soccer fans, Ron is past Secretary of the Federation Referee's Association, he is a lecturer and an examiner on the Laws of the game. Ron is now Secretary of the W.A. Amateur Referees Assn. one of the best with the whistle. We regard ourselves very fortunate that a man of Ron's standing has consented to officiate at our Championships, the handling of the whistle by Ron will prove educational from which players at all levels will derive benefit and better knowledge on the Laws of the game.

## REFRESHMENTS

Behind the scenes Mrs. Sheila Downham and Mrs. Doreen Serimshaw will have charge of all the canteen facilities. Seek them out if you are hungry or thirsty.

## ANNUAL GENERAL MEETING
